Take advantage of attractive financing options and special offers with the Danco Modern Preferred Customer Card.

Danco Modern is now offering 6-months interest free financing through GE Money. Ask and you'll receive 5% off* your first purchase with your new Danco Modern Preferred Customer Card! * Some restrictions apply – cannot be used for Ekornes Stressless orders, or in combination with other store promotions.

Here's how it works:

6-Month interest free financing may be applied to all transactions placed on your Preferred Customer Card.

Regular monthly statements will be received from GE Money Bank upon your first transaction on your card. In the event you have two (2) or more separate transaction dates (see note below), these transactions will appear separately on your statement.

Regular minimum monthly payments are required during the promotional period (minimum as of 08/26/2011 is 3.75% of the balance or \$25, whichever is greater). Monthly payments must be made directly to GE Money. **Payments cannot be made at Danco Modern.** Late fees will be applied to any late payments.

Please make special note that if the balance is not paid in full within the 6 month promotional period, interest will be imposed from the purchase date at the applicable rate of 29.99% (as of 08/26/2011).

Please Note: For items which are to be special ordered, you may place your initial deposit on the card, with the balance placed on the card once items are delivered. This will result in multiple transactions, and thus, multiple 6-Months Interest Free periods.

Issuance of Preferred Customer Cards is subject to application and credit approval. Once approved, **please see your Cardholder Agreement for complete account information for full disclosure.**

This financing opportunity is excellent for those who wish to pay the purchase balance in full within 6 months.
